

WithinReach invites you to sponsor and exhibit at the **2017 Washington State Immunization Summit**.

The summit will bring together 150 public and private immunization professionals from across Washington State, including representation from local health jurisdictions, for a daylong learning summit focused on effective promotion of immunization across the lifespan. The summit will offer networking opportunities throughout the day, including three breaks intended to encourage interaction between attendees and sponsors/exhibitors.

Your organization has the opportunity to showcase its products and services to a broad audience, including physicians, nurses, pharmacists, public health professionals, and others. See the attached form for details on the different levels of participation and the benefits your organization will gain by sponsoring or exhibiting. Course registration is also available online at www.waimmzsummit.eventbrite.com.

There are a limited number of sponsorship and exhibitor options for this event, so please register early, but no later than March 1, 2017, by returning this form to Mackenzie Melton [mackenziem@withinreachwa.org].

Washington leads the country as a state that promotes dynamic, cutting-edge immunization practices and education; WithinReach is excited to offer this additional opportunity for engagement in the immunization field. We look forward to your participation in this event.

Sincerely,

WithinReach is pleased to be hosting the first annual Washington Immunization Summit on April 26, 2017 at the Sea-Tac Conference Center. The event will bring together immunization leaders and health care providers from around the state for a day of learning and networking. Our hope is to build a sustainable, responsive annual event that meets the ongoing needs of Washington State immunization stakeholders.

We welcome your participation in this event as an exhibitor or break sponsor.

Exhibits will be located in the room adjacent to the Immunization Summit; all food will be served in the exhibit hall to ensure interaction between guests and exhibitors. Exhibitors will be supplied with a 6-foot skirted display table and two chairs – electrical outlets may be available if requested in advance for an additional charge of \$50. Conference attendees will have the opportunity to visit exhibitors before the event begins, during lunch, and for an afternoon break.

Register to exhibit early! A maximum of 11 exhibitor tables will be available.
